Personal qualities

Personal qualities:	Multidisciplinary, and as a consequence sees bigger picture, creates new ideas
---------------------	--------------------------------------------------------------------------------

from existing ones by fusing them. Perfectionist and expects same. Takes into account a lot of data before making a decision. When work needs to be done, applies no democracy.

Strengths:

GALLUP Strengths Finder 2.0:

1. Ideation.
2. Deliberative.
3. Command.
4. Activator.
5. Individualization.

Weaknesses:

Independent, loves to deploy things live, but eventually everything gets better. Due to multidisciplinary, some specifics may suffer.

Interests and hobbies:

Some writing (mostly past), quantitative trading and coding.
